Portfolio Website

Full-Stack Developer focused on creating customized digital experiences with technologies like React, Spring Boot, and Webflow. Passionate about building beautiful, interactive, responsive, and accessible web applications, I am currently expanding my skills in modern frameworks like Next.js and exploring cloud-based solutions.

TECHNICAL SKILLS:

- Front-End: HTML, CSS, JavaScript, React, MUI, Tailwind, Webflow, WordPress, Figma
- Back-End: Node.js, Java, Spring Boot, SQL, MySQL
- Tools & Technologies: Git, Vite, npm

SELECTED PROJECTS:

Happy Sleep

2024 – Freelance Project – Technologies: Webflow, JavaScript, Figma

- Built a responsive Webflow website with smooth animations and interactive elements for a sleep health service.

Classmate

2024 – Personal Project – Technologies: Spring Boot, SQL, React, MUI

- Developed a comprehensive school information system for managing classroom activities, student data, and academic resources.

Tatjana Dimitrijević - Artfolio

2023 – Freelance Project – Technologies: HTML/CSS, JavaScript

- Designed and developed an online portfolio for an artist, featuring interactive galleries and smooth animations.

Virgil, Posters/Art, Basquiat

2022 – Personal Projects – Technologies: HTML/CSS

- Developed a series of artistic web projects showcasing creative design and adaptive layout capabilities.

WORK EXPERIENCE:

Bit Soft

Front-End Developer | 2019 - 2022

- Developed and maintained responsive web applications using React and WordPress, ensuring compliance with WCAG standards to create accessible user experiences.
- Gained experience in agile methodologies, contributing to the timely delivery of projects.

Inspira grupa

Front-End Developer Intern | 2019

- Worked closely with senior developers to learn industry best practices and tools.
- Gained hands-on experience in responsive design and cross-browser compatibility.

EDUCATION & CERTIFICATIONS:

2023 - 2024 | Full-Stack Developer – Vojvodina ICT Cluster

2018 - 2019 | Front-End Web Programming – Informatika A.D.

B.A. in English Philology – International University of Novi Pazar

CAD Mechanical Technician – Technical High School, Sombor
